Profile

AMS-certified Montessori educator with **12+ years of international teaching experience** across China, South Korea, Indonesia, and Germany. Deep expertise in the Montessori language curriculum for ages 3–6, including the complete AMI sequence from oral language through reading and grammar. Creator of **Montree** (montree.xyz) — a production classroom management platform built from firsthand teaching experience, serving Montessori schools with a 329-work curriculum system, progress tracking, and an AI-powered teacher advisor.

Teaching Experience

Homeroom Pre-K Teacher

2023 — Present

Tsinghua Daoxing Lake International School, Beijing

- Lead Montessori classroom for mixed-age group (3–6), delivering the full AMI English language curriculum across all 5 areas: Oral Language, Writing Preparation, Reading, Grammar, and Word Study
- Implemented complete Pink/Blue/Green reading program, Sandpaper Letters with AMI groupings, Grammar Farm, I Spy sound games, and Moveable Alphabet composition work
- Designed and set up the English language corner with 7 shelves following the developmental sequence prescribed by Maria Montessori
- Track individual child progress across 329 curriculum works using Montree, the platform I built specifically for this purpose

Homeroom Teacher

2022 — 2023

Concordia International School, Ningbo & Hanlin International Kindergarten, Shijiazhuang

- Homeroom teacher for kindergarten-age children in bilingual Mandarin-English environments
- Developed phonics and vocabulary curricula tailored for Chinese L1 learners

Online ESL Teacher

2020 — 2022

PalFish Online Platform — 1-on-1 with Pearson Curriculum

- Delivered structured 1-on-1 English lessons using Pearson materials to young learners

ESL Teacher

2019 — 2020

English First, Jakarta — Indonesia

- Taught all ages from kindergarten to corporate professionals in a structured EF curriculum

Earlier Teaching Positions

I2 International, Haikou 2017–18

SangSang Academy, S. Korea 2016–17

Shimen Middle School, Foshan 2016

Shenyang Inst. of Eng. + Liaoning Univ. 2014–15

Berlitz Education, Germany 2013–14

Montree — Montessori EdTech

Founder & Developer

montree.xyz

Built a full-stack Montessori classroom management platform from the ground up — born directly from my daily teaching practice. Montree tracks child progress across a 329-work AMI curriculum, generates parent reports with photos and observations, and includes an AI-powered Montessori advisor trained on AMI methodology. Also features a community library where teachers worldwide share and discover Montessori works.
